Hi Cory,

I hope all is well.

As Arlene Zwilling was assigned to the federal action, she will be handling the federal subpoena.

Please note that she advised me that you were provided with the 911 records for both CC numbers, as well as the entire file of Officer Zimmerman.

Other than the IA file, which is privileged under section 50-a of the Civil Rights Law, you received all of the SCPD records either by way of the FOIL or the federal action.

I am not quite sure what else you are requesting.

Please also note that the SRO assigned to the High School was not there on the date of the incident and other than Officer Zimmerman's file, he has no other records. You have been given everything, other than the IA file, which again, is privileged.

Thank you.

Enjoy the rest of your day.

Kind regards,

Marlene

Dear Ms. Budd and Ms. Zwilling:

As you know, I represent the Edmond Plaintiffs in Edmond v. Longwood et al, Docket Number 16-CV-2871. I write in regards to the subpoena over which we discussed as to what Plaintiffs counsel did receive and did not receive.

Please provide certified records, which will remain under the confidentiality stipulation and order, responsive to the subpoena including the Internal Affairs Unit report. If we need to narrow the scope of some of these records, let us do so after a complete record is provided. Among other things, Plaintiffs are without certain 911 phone calls (including but not limited to the Perrotta Phone Call), radio runs, witness statements and notes that were referenced over the phone (Ms. Zwilling on December 8, 2017) and in person.

Thank you very much for your kind consideration. Should you have any questions or concerns, please let us set up a convenient time for us to speak.

Sincerely,
Cory Morris
